

B. C. S. Bulletin To Old Boys

VOL. X NO. 2

COMPILER: H.L.HALL, M.A.

MARCH, 1951.

THE 114TH. YEAR OF THE SCHOOL:

THE 10TH. YEAR OF THE BULLETIN:

ITS 37TH. ISSUE.

TO OLD BOYS WHO ARE NEITHER LIFE MEMBERS NOR REGULAR ANNUAL MEMBERS: We have so much news to give Members that we are unable to take up too much space telling you again what we have been urging you to do the past ten years. The School is still interested in you: we would like to hear from you or about you. A number of boys, by means of scholarships, could enjoy the benefits which you yourself received. The paying members help to provide the scholarships. Only so long as we have regular paying members can we hope to maintain them. For some time we had hoped to be able to increase their number. A few years ago we had hopes of having 500 Annual Members -- and we thought we were within reach of our aim. Unfortunately, the number has dropped off due to Old Boys not paying their annual fees regularly. The good work of the past few years can easily be jeopardized by this negligence. Surely, \$3.00 a year is not too much for each of us to contribute especially when we realize how much good our united fees can do. May we ask you to send your \$3. annual fees (or better still, 8100. for Life Membership) to:

J. CHURCHILL-SMITH, 132 ST. JAMES ST., W., MONTREAL, P.Q.

We understand that there are thousands of unclaimed letters in the Post Office. We hope that none of these -- with \$3.00 in them is meant for us. We haven't heard from some of you for a longtime.

Work started on November 25 on the PETER HOLT MEMORIAL LIBRARY. It is expected to be finished by the end of March or middle of April. Funds for the building were provided by Mrs. W.R.G. Holt in memory of her son, Peter, who was killed in the late war while serving with the R.C.A.F.

The following is taken from the B.C.S. MEMORIAL ISSUE, 1946: Flying Officer Peter G. Holt ('35-41), son of Mr. and Mrs. W.R.G. Bolt, Montreal, enlisted in the R.C.A.F. in June 1941, and underwent training in bombing, gunnery and flying. He received his Wings in Canada in June 1942 and proceeded overseas in August as Pilot Officer. He commenced operations early in 1943 when he was promoted to Flying Officer. He was killed on bombing operations over Germany May 30-31, 1943. He is buried in Venlo Cemetery, Holland. He was posthumously awarded Operational Wings of the R.C.A.F.

We gratefully acknowledge the handsome books which Sydney I. Lyman ('33-'36), 81 Hillside Ave., West, Toronto, Ont., has donated to the School. His gift comprises the Set of Canada and its Provinces -- 23 Vols. -- the Authors' Edition, and The Makers of Canada -- 21 Vols. -- the Parkman Edition. They are beautifully bound and printed, and will be an invaluable source of information for all of us at the School. Our united thanks to Lyman for his magnificent gift.

We would like our 'older' Old Boys and former Headmasters to know how much we appreciate their continued interest in and loyalty to the School. Their constant attendance at the Meetings and Dinners, their speeches containing sound and kind advice; their letters expressing regrets at their inability to be present but containing words that reveal their real love of the Schools the great services which they have rendered the School in the past in the capacity of chairmen, directors, headmasters: the time spent for and the money donated to the welfare of the School -- much of whose present greatness is due to their wise counsel and sound methods ---- this, and much more, revealing the high regard in which they hold their School, will, we hope, be an incentive to us 'younger' Old Boys to try to emulate some of their accomplishments for the welfare of the School which we all -- Old and Young alike -- regard as the best in the country.

To the retiring Chairman of the Board of School Directors, Col. W.W. Ogilvie ('17-'22), we offer a united expression of appreciation for the services he has rendered the School during the five years he had held that office, and especially in connection with the Memorial Buildings Programme planned and completed while he was chairman. We are happy to learn that he will still be a member of the Board of Directors.

Old Boys -- especially graduates of Bishop's University -- will be pleased to hear that Prof. DC. Masters' Book, "Bishop's University: The First Hundred Years", was published last November by Clarke, Irwin & Co. Dr. Masters is head of the History Department at the College and succeeded Dr. E.E. Boothroyd. It is a fascinating book and provides interesting reading, since

the history of the School and College parallels one another for over sixty years.

A Master Address List of Old Boys has just been completed. During its compilation, certain lists were inadvertently overlooked. We hope some of the recently-enrolled members of the Association who did not receive their copy of the last Bulletin will understand, and will accept our sincere regrets.

THE ANNUAL MEETING AND DINNER of the Association took place at the Montreal Club, 215 St. James St. W., on Feb. 22. The following Old Boys were nominated directors of the Association for the ensuing year: PRESIDENT: G.H. MacDougall ('24-'30); VICE-PRESIDENT: D. Doheny ('27-'34); SECRETARY-TREASURER: J. Churchill-Smith ('35-'39); COMMITTEE MEMBERS: H.T. Langston ('27-'32); J.F. Baillie ('33-'34); M. Magor ('45-'47); J.H. Gray ('45-'48); P.J. Aird ('41-'44); G.W. Hall ('16-'26); C.D. Johnston ('21-'27).

We are happy to have, at last, the answer to the \$64 question of the B.C.S. Association Balance Sheet; namely: "What is the value of 1 share of Quebec Apt. Ltd. common stock ?". The answer, as of Feb. 22, and subject to market variations, is \$40.00.

100 Old Boys -- the greatest turnout in the past eight years -- were present at the dinner. D. Doheny ('27-'34) was Chairman in the absence of the President, G.H. MacDougall, ('24-'30), who sent a cable from Chile expressing best wishes for a successful evening. Letters from Bishop Williams and Dr. S.P. Smith, expressing regrets at their inability to be present, were read by the Chairman. Hon. Mr. Justice C.G. MacKinnon, O.B.E., ('92-'96), spoke feelingly in an excellent toast to the School and reminded us that we live in an era where standards count and extolled for maintaining such standards through the years. The Headmaster, C.L.O. Glass, ('28-'32), in replying to the toast to the School, paid tribute to the accomplishments of the former Headmaster, C.G.M. Grier, and to the great assistance that F.R. Pattison had given him. Giving a comprehensive account of life at the School in which he referred to the co-operation of his staff and to the activities of the boys, - he reminded his hearers of the competition that schools like B.C.S. face and analysed, with thought-provoking statements, not only the problems that were to arise but also suggested means for their solution.

The Honorary President of the Association, P.F. Sise ('92-'96), whose retirement from that position was announced at the Dinner, and, accepted with regret, spoke fittingly of the School and paid tribute to Col. Grier's contribution to its greatness.

G.H. Montgomery ('86-'89), in accepting the position of Honorary President of the Association, stressed the value of a sense of responsibility in order to enjoy a fuller life, and paid tribute to Dr. S.P. Smith's accomplishments for the School when he took over the headmastership during difficult days.

R.L. Evans, Esq., member of the School staff since 1935 and present Housemaster of Smith House, and H.L. Hall ('16-'27) member of the School staff since 1936 were guests of the Association, as were also the members of last year's graduating class.

Seated at the Head Table were: Mr. Justice MacKinnon, G.H. Montgomery, P.F. Sise, C.G.M. Grier, W.W. Ogilvie, H.C. MacDougall, H.W. Davis, Mr. Justice W. Mitchell, Chairman of the Board of School Directors, the Headmaster, C.L.O. Glass, D. Doheny, Brig. G.V. Whitehead, Major E. Greenwood, R.L. Evans, R. Meredith.

Among the many Old Boys present, the following were noted (apologies to any Old Boys whose names have been inadvertently missed). P. Aird, G. Arnold, R. Bayne, G. Balfour, H. Blair, T. Bishop, M. Collier, R.M. Collier, N. Courey, J. Churchill-Smith, J.G. Carsley, D. Campbell, G. Campbell, K. Darling, A. Dobell, G. Dawson, J. Flintoft, S. Fraser, F. Fuller, J. Goodson, A.K. Glassford, O. THE MASTERS' COMMON ROOM REMEMBERS: That famous fifth form in the days when prep was done in the classrooms. It was May, and June-bug season. The master on duty heard a crash from the fifth form room, investigated and found one dead June-bug on the floor in the doorway. He threatened extreme measures for any more foolishness and took a turn down the corridor, his ear keyed for sounds of further mayhem. There was not a sound. He wandered back. The class was intent upon its work. But on the floor neatly aligned with the first, was a second dead June-bug..... A master in the Prep., faced with a long Sunday afternoon's duty in early spring, suddenly bethought him of the sugar-camp along the Q.C.R. Out went the whole Prep to "sugaring - off", and glutinous wade of syrup-and-snow were absorbed. As they all staggered home with unpleasant comments on the state and progress of their interiors, the master suddenly bethought him again, this time with somewhat besharper bethinking, that the Confirmation Service was that evening. He threatened battle, murder and sudden death to any boy who could not contain himself at the service, and sat in agony as the candidates were presented to the Bishop, expecting to see each one present it. Like the Spartan boy, however, the Prep gave no sign of the fox that gnawed their vitals Then there was the fourth former who conceived a grand passion for a sultry screen star, and phoned her Lennoxville to Hollywood at her studio's expense, and got through And the Head Prefect who, during a minor measles scare wry early one April, confronted the Head before Morning Prayers with a list of twenty boys who had gone down with the disease overnight. Then as he eased himself from the shattered presence he murmured something to the effect that the date was April 1st ...

THE MAGAZINE: Because of the increasingly high cost of printing, it has become impossible to publish the School Magazine twice a year without incurring heavy deficits. Faced with the alternatives of changing to a cheaper format and reducing the number of issues, the Executive of the D.B.A. have agreed with the editors that we should try to maintain the former characteristics of the Magazine, and one issue will be published in June, covering the School's activities for the whole year.

While it is still the policy of the Magazine to solicit advertising only from those firms which do constant business with the School, if any Old Boys in the business world feel that their firms would derive advantage from advertising in the Magazine their copy will be welcomed. The rates are: Full Page (8½ x 11) \$20.00; Half Page, \$10.00; Quarter Page, \$5.00.
